## We're here to help.

If you need help connecting with community resources, sorting out insurance coverage, or addressing your medical device questions, **you don't have to figure it out on your own.**

**For more information or to enroll in  
Navigator by ABC Medical<sup>SM</sup> services:**  
**[www.abc-med.com/navigator](https://www.abc-med.com/navigator)**  
**855.774.6631**

Hollister offers free 1:1 support for customers transitioning out of Rehab through Navigator by ABC Medical<sup>SM</sup> services.

Navigator by ABC Medical<sup>SM</sup> services are customized for people with Spinal Cord Injuries and Disorders (SCI/D), Spina Bifida, and Acquired Brain Injuries - offering free 1:1 support including:

### **Navigating insurance coverage.**

Based on the insurance plan, we can explain options and help determine what catheter products are covered as well as allowable quantities.

### **Finding the right products.**

Whether you are new to catheterization or an experienced user looking for options, we can help you **Navigate** your choices and find the right products for you.

### **Accessing educational and lifestyle information.**

We have long-standing relationships with a variety of organizations and can connect you with people, knowledge and tools to help support the life you want to live.

### **Connecting to the Community.**

Our team of Navigators are here to connect you with the broader community and support systems to help with day-to-day challenges.

## Thoughtfully refined with women in mind

Subtle enhancements, improved outcomes.

We're committed to improving the self-catheterization experience for the women who choose us, which is why we're introducing some subtle yet significant changes to our Infyna Chic™ intermittent catheters. Delivering even more comfort and confidence – for your peace of mind.

Making a difference in the journey of life.

With 100% No Touch Protection,  
whatever you touch won't touch  
VaPro™ catheters.

The protective tip and sleeve of VaPro™ catheters  
have been tested and have been shown to prevent the  
transmission of bacteria that may cause UTIs. Don't  
settle for anything less than 100% No Touch Protection.

### DID YOU KNOW...

VaPro™ No Touch Intermittent Catheters offer the right balance of ease of use and protection:

- Prehydrated, hydrophilic and ready to use
- Protective sleeve allows for the catheter to be gripped anywhere and is proven to prevent the transmission of pathogens that may cause UTIs
- Protective tip helps shield the sterile catheter during insertion from bacteria located within the first 15mm of the distal urethra
- Packaging is designed with finger holes to be easy to open
- VaPro Plus™ and VaPro Plus Pocket™ catheters have an integrated 1000ml collection bag for catheterization at home or on the go
- Offered in pocket-size packaging for easy transportation and discreet out of home usage

## Onli™ Intermittent Catheters

82xxx-30

Box of 30

- ▶ Ready-to-Use, Prehydrated Hydrophilic Catheter with Enhanced Lubrication
- ▶ Easy-to-Open, Peel-Apart Packaging with Two Finger Holes
- ▶ Ergonomic Sliding Gripper\* and Length of Flexible Funnel Help Provide Control
- ▶ Catheter has a Balance of Flexibility and Rigidity that Helps Promote Easy, Touch-Free Insertion
- ▶ Clear Tube Provides Increased Visibility
- ▶ Doesn't Stain Common Fabrics\*\* if Contents are Spilled

### HCPCS Codes Disclaimer

The reimbursement information provided herein is intended to provide general information concerning coding of Hollister products only. Hollister does not guarantee coverage or payment for any products. The ultimate responsibility for proper coding, satisfying reimbursement requirements, and obtaining reimbursement remains with the provider. Coding and coverage policies and guidelines are complex, can vary from one carrier or region to another, and are updated frequently. Providers should check with their local carriers or intermediaries often and should consult with counsel, a reimbursement specialist, and/or the DMECS website for any coding, coverage, reimbursement, or billing questions.

*HCPCS codes shown in this Product Catalog are current as of March 2023.*

### Latex Statement

The specifications for the Hollister Continence Care products listed below include natural rubber latex as a component; our suppliers add natural rubber latex as part of the production process. If a Hollister product(s) found in this catalog is not listed below, the specification for that product(s) and packaging does not include natural rubber latex as a component, and our component suppliers do not add natural rubber as part of their production process.

### Current Stock Numbers:

9106	9206
9107	9207
